Leaving No One Behind: Mainstreaming Migration in National Development Policies in the Sahel and Sahara Region

12 August 2020

Cairo, Egypt

12 August 2020

11:00 – 12:00

Session 1

The Nexus between Migration and Sustainable Development in Africa: What does it Mean in Practice?

This session will take stock of the implementation of migration frameworks in Africa, most notably the Global Compact for Migration and the SDG targets and indicators relevant to migration. It will highlight progress on mainstreaming migration in national development in the continent and delineate the main obstacles preventing Member States from adopting a migration-sensitive approach to development planning and present actionable recommendations to strengthen their implementation on the national and regional levels. The session will also bring to the fore the important role the AU plays most notably through the AU Migration Policy Framework.

12:00 – 13:00

Session 2

Leaving No One Behind: Towards Systemic Mainstreaming of Migration in National Development in the Sahel and Sahara

This session will introduce participants to knowledge and tools that can be utilized to ensure comprehensive and meaningful integration of migrants in national development planning. In doing so, it will highlight the lessons learned and good practices emerging from the experiences of the Sahel and Sahara States and organizations, as well as recommend ways to overcome structural challenges to migration management /governance.
